

MADRONA K-8 PTSA
PANTHER PARTNERS

Developing our future leaders.

January 28, 2010

Dear Madrona Community ~

Thank you to all of you who attended the meeting with Dr. Goodloe-Johnson.

Although Principal Andrews will be moving to a new school, we are thrilled that she will be here through the end of the school year and will train her replacement. We have been assured that there will be time for a thoughtful transition and that we will be involved in the choice of new leadership for Madrona K-8.

Information about how to become involved in the next stages of this process will be published in the Friday Flyer, on our website at www.madronapantherpartners.org and will be sent out by email to our email list. If you'd like to get information by email, please send an email to us at ptsa@madronapantherpartners.org.

Thank you for your continued support of our Madrona Family!

Respectfully,

Rita Sheckler
Co-President

Demetra Gary
Co-President
