### Principal Selection Update

Over the last few weeks, a large group of parents and staff (the preparation team) have been gathering feedback from students, families, and staff regarding the attributes we want in our next principal. We have completed that process, as well as developed three questions to include in the interview.

The school district has been pre-screening candidates for principals. The district finished the pre-screening last week and, based on the pre-screening results, is determining which candidates will proceed to meeting with schools. The Madrona K-8 principal interview team will begin paper-screening the candidates next week and conduct in-person interviews the following week. We expect to interview between 4 and 6 candidates. We can forward up to 3 candidates to the Superintendent. Dr. Goodloe-Johnson, Chief Academic Officer Susan Enfield, and Ms. Medsker will then conduct a final interview and Ms. Andrews will take the candidates on a school walk-through. Dr. Goodloe-Johnson will make the final selection.

The following individuals are on the school principal interview team: Ruth Medsker, Justin Hendrickson, Thatcher Wood, Letta Steward-Baker, LaNita Thomasson, Victoria Romero, Stephanie Sellers, Demetra Gary, Christina Williams, and Muhammad Yusef. The staff members were selected by the Building Leadership Team, the parents were selected by larger preparation team, the community representative was chosen by the PTSA board, and the student was chosen by the Student Council Advisor. We thank these individuals for their willingness to sacrifice their time to participate in this important process.

### Neighborhood Appreciation Day

Madrona's Neighborhood Appreciation Celebration is Saturday, March 20<sup>th</sup> 10AM – Noon. Donations of baked goods are needed. Please contact the PTSA if you can help – [ptsa@madronapantherpartners.org](mailto:ptsa@madronapantherpartners.org)

### Change for Change
