MSP Spring Test Breakfast May 13th & 14th

The annual state-wide testing time is approaching for our 3rd-8th graders. To celebrate the students' hard work over the year and to support them so they can do their very best, the PTSA and the Deltas put on 2 breakfasts right before testing starts for the students and their families. Thursday, May 13th is the breakfast for 3rd- 5th graders and Friday, May 14th is for 6th - 8th graders. This is one of our biggest events of the year and has become a much anticipated tradition. The students dress up, many families come and we provide a catered, sit down meal for 450 people over 2 days.

The PTSA and Delta's fund the costs for these breakfasts but we need people to help with set up, serving, and clean up. We need everyone's help, but since we want people to be able to enjoy the breakfasts with their students we especially need families of Kindergarteners - 2nd graders to help with serving on Thursday and Friday morning.

Here's what we need:

- 6 people Wednesday (5/12) - for Set up (2:35- done)
- 10 people Thursday morning (5/13) - help with set up, serving, and/or clean-up (7:30-10)
- 10 people Friday morning (5/14)- help with set up, serving, and/or clean-up (7:30 - 10)

To volunteer your time or for questions, please email us at ptsa@madronapantherpartners.org, or see Rita Sheckler, Demetra Gary or Michelle Manion.

FIELD DAY

Field Day is an end of the year Madrona tradition where the kids and teachers go to Madrona park to celebrate. Activities have included face painting, a dunk tank, various outdoor games and snow cones. It usually goes from 10-3 and takes a lot of volunteers. If you can help out for an hour or two, please let Michelle Manion at mmmanion@seattleschools.org.

THANK YOU!

BikeWorks' Kids Bike Swap – May 8, 2010

The Bike Swap will be held from 10AM to 4PM at Genesee Playfield where 43rd Avenue meets Genesee Street. Families, come to this annual spring event and trade in kids bikes that you have outgrown for bigger ones that fit (for little or no money)! All kids bikes are welcome (24" wheel or smaller)-- please, no adult bikes! If you are looking to buy a bike, but do not have a bike to trade in, you are welcome to come after 12 pm. This year there will be more bikes than ever! For more information on how the event works, please visit their website (<http://www.bikeworks.org/>) or ask Ms. Coulter. Hope to see you there!
