MSP Update

Our MSP testing is now over! Students completed nearly 900 tests over the past two weeks and we expect to have a 99% completion rate! This can all be attributed to students' hard work, teacher diligence and the support of families. A BIG THANK YOU to Ms. Melinda Leonard, our MSP coordinator this year. Ms. Leonard coordinated tests, locations, teachers, materials, proctor training and snacks, and gave numerous pep talks along the way!
